

## Directions to STMicroelectronics : Marlow.

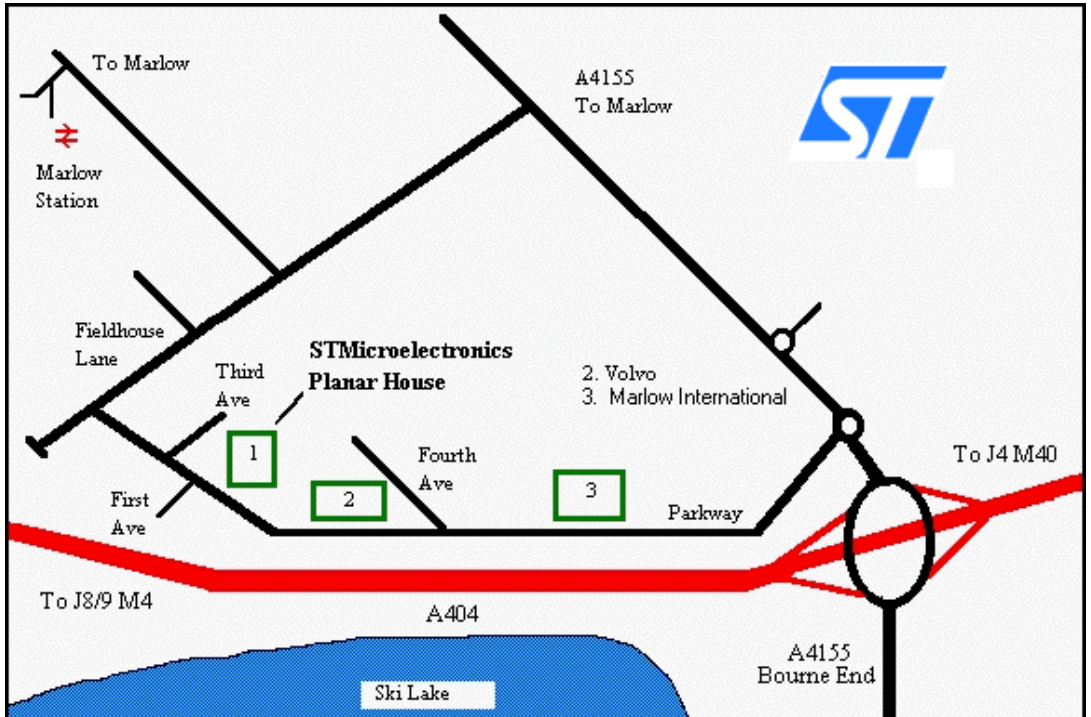

### BY CAR :

**From M40 Junction 4** follow the A404 south towards Maidenhead.

At the roundabout (about two to three miles down the road) turn right onto A4155 heading for Marlow. At the next roundabout (almost immediately) turn left on to Parkway and follow the road around. ST Marlow is on the right. (Just past Volvo building.)

**From M4 Junction 8/9** follow the A404(M) towards High Wycombe (about 6 to 7 miles down the road) turn left on to A4155 heading for Marlow. At the next roundabout (almost immediately) turn left on to Parkway and follow the road around. ST Marlow is on the right. (Just past Volvo building.)

### BY TRAIN :

ST Marlow may be reached by "Great Western Inter-City" service from either Bristol, Swindon, Oxford or London Paddington stations, changing to local "Thames Trains" at either Reading or Slough stations, thence to Maidenhead. There is an hourly train service from Maidenhead to Marlow. Once at Marlow station it is a short walk (approx 5-10 mins) to the ST offices.
